

THE
BATTERY

PLAYSCAPE

GROUNDBREAKING

Thursday, March 12, 2020
10:00 a.m.

Commissioner Mitchell J. Silver, FAICP
NYC Parks
and
Warrie Price, President
The Battery Conservancy

cordially invite you to celebrate the
GROUNDBREAKING of

THE BATTERY PLAYSCAPE

Thursday, March 12, 2020
10:00 a.m.

Enter the park across from
17 State Street

RSVP to special.events@parks.nyc.gov

The expansive 1.5 acre playground will engage children in five scenic zones: bluff, marsh, dune, meadow, and riverbed. It will immerse them in nature and accessible fun.

Inspired by its waterfront location, The Battery Playscape is designed to encourage environmental stewardship and demonstrate resiliency in action.

The Battery Playscape will be accessible to children of all ages and abilities, allowing freedom of movement and spontaneous discovery.
